2014\_0304\_Master EPA screening levels.xlsx

Guys,

Here are all of the screening values Region 4 used on the coal ash spill. Hope this helps.

**Subject:** screening values

Here is a table we used for the Eden Ash Spill in NC. Hope this helps.

Sharon Thoms was my eco risk person and Tim Frederick was my HH risk person. Sharon and Tim, if there is a later version, please send to Charlie.
